

LX7-2-CR-A Canister

Silence Pro System™ for a more quiet clean

Clean without the noise. The LX7 has been built with silence in mind. A noise-optimized motor, together with the construction of the canister and the new Dust Magnet™ silent nozzle ensure a more quiet clean – without compromising on performance.

Clean Air Filtration™ for allergy friendliness

With a hygiene or an allergy plus filter, the LX7 is perfectly equipped to take care of allergens and other pollutants in the air. So you can be sure to feel at home even if you are more sensitive to your environment.
